

Announcement of Special Issue (JFST)

A special issue of ICJWSF2022

“The 7th International Conference on Jets, Wakes and Separated Flows” will be published in a web English Journal of the Fluid Engineering Division of JSME

“Journal of Fluid Science and Technology (JFST)”

<https://www.jsme.or.jp/publish/jfst/#iii>

The papers presented in ICJWSF2022 are welcome to this special issue.

(1) the online submission and peer-review system in JSME Journals will be processed with online system via “Editorial Manager”.

<https://www.editorialmanager.com/journal-jsme/default1.aspx>

(2) Please make a manuscript with JSME template and make a PDF File.

Word: <https://www.jsme.or.jp/publish/English-Template-specialissue.docx>

LaTeX: <https://www.jsme.or.jp/publish/english-template.zip>

Copyright Transfer: https://www.jsme.or.jp/publish/copyright_transfer.doc

(3) Original papers should be less than 12 pages + additional pages.

Please check “For Authors”: <https://www.jsme.or.jp/publish/jfst/for-authors.html>

Note

*Please select a "Section/Category" on Editorial Manager, "Special Issue of the 7th International Conference on Jets, Wakes and Separated Flows (JFST)".

*Authors shall pay publication fees for papers published in the Journal.

Please check “For Authors, Article Processing Charges”.

If it is decided to publish the paper, ICJWSF2022 Organizing Committee will provide a paper publication fee subsidy. Details will be notified after the publication of the paper is decided.

< Publication Schedule >

Submission Deadline: ~~30 July, 2022~~

22 August, 2022

Publication: December, 2022 (tentative)

Editorial board of special issue

Prof. Motoaki Kimura (Nihon University, Japan) (Editor in chief)

Prof. Tomomi Uchiyama (Nagoya University, Japan)

Prof. Akinori Muramatsu (Nihon University, Japan)

Prof. Guoyi Peng (Nihon University, Japan)

Prof. Sergey Alekseenko (Siberian Branch of Russian Academy of Science, Russia)

Associate Prof. Naoki Sekiya (Nihon University, Japan)

Prof. Jiun-Jih Miao (National Cheng Kung University, Taiwan)

Prof. Takahiro Kiwata (Kanazawa University, Japan)

Prof. Masaki Fuchiwaki (Kyushu Institute of Technology, Japan)

Prof. Hitoshi Ishikawa (Tokyo University of Science, Japan)

Prof. Shoichiro Iio (Shinshu University, Japan)

Associate Prof. Tatsuro Wakimoto (Osaka City University, Japan)

Prof. Yasumasa Suzuki (Nihon University, Japan)

Associate Prof. Soichi Sasaki (Nagasaki University, Japan)
